

6516209900.txt

I just would like to say that I am a XM lissener and really enjoy the instant Traffic and weather stations.... and I also PAY my money for these stations. It isnt fare if you (FCC) take away ANOTHER program that people enjoy. I just want to make sure you know how much people lissen to XM and use the traffic and weather stations.

PS I use the stations for MY EMPLOYMENT (I am a Trucker)

Thanks,

Brandon Gray
